RE: Faith Bible Church Building I Interior Remodel

Dear Terry,

Thank you for a job well done here at Faith Bible Church. You and your team, including Matt Rey and Melissa Jarrell, were nothing but the utmost professionals throughout the project, and we are pleased with the results of the remodel at our church.

The project you completed at Faith Bible was executed with competency and timeliness, but what struck me the most about your performance was the honesty and integrity with which your team members conducted themselves. Even when circumstances got difficult, which occurs in all projects, Brayton did not make excuses, point fingers, or expect others to take the load. You stood by your word throughout and lived out your slogan of *"We don't just build buildings, we build relationships"*.

As you are aware, I was so pleased I hired your firm to perform contracting work through my regular employer, The Appelt Company. Therefore, please know that you have my recommendation to others for your general contracting work.

Thank you, again, and may God continue to bless your endeavors.
