Matt,

The purpose of this letter is to recommend your company based on our experience with your company. We used your company to provide services and contractors in the Renovation of our Church in Damon, Texas. We are extremely pleased with the quality of the work your company was able to provide for us. In the future when we are ready to renovate the New Church, we will be contacting your company to do the renovations. We are happy to recommend your company to anyone who is seeking your services.

During the course of the renovation, we were able to contact you at anytime night or day and you and your company readily adhered to our requests no matter how big or small they were. The quality of the materials used during the renovation were what we expected from your company.

We are very happy to recommend your company to any of your future clients and we trust that their experience with your company are as positive as ours. If we can answer any additional questions about our experience, please feel free to contact me. My telephone number is: 281-414-1176 and my email address is: [carolbuchta1@yahoo.com](mailto:carolbuchta1@yahoo.com)
